Overview
Consultant: Fund Evaluation Group

It is the practice of the Foundation that no member of the Investment Committee manages any part of the asset allocation or receives compensation for their advice. This ensures impartiality when reviewing money manager performance.

The size of Blue Mountain Community Foundation’s asset base allows the negotiation of fees on a wholesale basis increasing the overall investment return for all participants in each pool.

The Foundation’s fiscal year is July 1 to June 30.

<td>Blue Mountain Community Foundation's endowment funds are invested in a “Balanced” portfolio, which is structured for long-term total return. To provide diversification and to moderate risk, the investments are divided into carefully-defined asset classes. Funding available for each asset classification is invested by professional money managers hired by the Foundation through a rigorous selection process. The investment performance of each manager is monitored by an independent investment consultant retained by the Foundation.</td>
